

Memo

PLEASE POST

January 24, 2012

TO: Vehicle Maintenance Employees

FROM: Bruce Lillquist *BL*
VM Group Leader, Bus Procurement Team
Central Base Superintendent

SUBJECT: Bus Procurement Team

This is your opportunity to join the Bus Procurement Team (BPT). The team will consist of various classifications within Vehicle Maintenance, Local 587 as well as Local 17. Anyone can apply and we would like base involvement. You will need a good working knowledge of "what you do" in your specific classification and the ability to work well with others in a committee setting. The BPT will require dedication and a commitment to attend scheduled meetings or presentations.

Currently underway is the Electric Trolley Bus Procurement. This purchase will be for approximately 100 40ft. and 55 60 ft. trolley coaches. Generally from procurement planning to the first coach delivery is around 18 months. As you can see this is a lengthy process and will require a commitment by each team member.

If you are interested in being a new team member, please submit a brief letter of interest stating your job classification and give an explanation of what you feel you can bring to the team. Former team members will need to send a letter indicating your interest in continuing as a member. Send your information to Bruce Lillquist by email at bruce.lillquist@kingcounty.gov or M.S. CBM-TR-0200 by February 10, 2012. If you have any questions feel free stop by the office or call me at 684-2743.
